About Us

01

PT ISGROUP AGRI GLOBAL is an Indonesian export company specializing in connecting high-quality Indonesian products with international markets. Since beginning its international trade journey in 2015, the company has continuously expanded its global network and strengthened its presence across various commodity sectors.

Starting with the export of soursop leaves to South Korea, PT ISGROUP AGRI GLOBAL has grown to serve customers in more than 20 countries across Asia, the Middle East, Australia, Europe, and Africa. The company is committed to delivering reliable export solutions that meet international standards and market demands.

What differentiates PT ISGROUP AGRI GLOBAL is its commitment to providing a safer, more transparent, and professional trading experience for global buyers. Supported by a strong supplier network and extensive market expertise, the company creates long-term value for both producers and international partners.

As part of PT Indonesia Sejahtera Group, PT ISGROUP AGRI GLOBAL continues to strengthen its role as a trusted global partner, connecting Indonesian products with opportunities worldwide.
